THE BUILD & BRAWL: TECHNICAL SPEC SHEET

TEAM REQUIREMENTS

TEAM SIZE

Exactly 10 players per squad.

ELIGIBILITY

Participants must be 12+ years old (minors require parental waivers).

UNIFORMS

Teams are highly encouraged to wear matching colors or branded company shirts to assist with referee identification and "Best Dressed" points.

EQUIPMENT

Bushwacker provides all safety masks and markers. Outside markers are permitted only if they pass our velocity chronometer (max 280 FPS).

BUNKER BUILD REQUIREMENTS

DIMENSIONS

Footprint: Max 40" x 48" (The size of one standard pallet).

Height: Max 96" (The height of two standard pallets).

Weight: Must be light enough for 2-3 people to push/maneuver across grass.

MOBILITY

Wheels: Must be mounted on heavy-duty casters or wheels.

Terrain: Wheels must be capable of rolling over dirt, tall grass, and uneven field terrain (minimum 5-inch diameter recommended).

ECO FRIENDLY MATERIALS

Construction: Minimum 75% recycled materials

Approved: Pallets, reclaimed lumber, plywood scraps, old tires, plastic drums.

Prohibited: Glass, brittle plastics, thin ceramics, or hazardous waste materials.

SAFETY

No Sharp Edges: All corners must be sanded; all screws/nails must be countersunk (buried in the wood).

Stability: Bunkers must be "tip-resistant." They must remain upright even if a player bumps into them during intense play.

Visibility: Bunkers must have at least one "firing port" or viewing gap for the players inside.
